Introduction

Bangladesh Academy for Rural Development (BARD) is recognised as a leading national institution for training, research and experimentation on rural development project in Bangladesh. Over the years its name and fame has spreaded far and wide and it is now a familiar name at home and abroad to all those concerned with or interested in rural development. In fifty-nine years of operation, BARD has published more than 800 research and evaluation reports in the field of rural development.

This catalogue of publications covers the period from July 1959 to June 2018. Publications which are out of stock/ print are available in the Akhter Hameed Khan Library, BARD for reference.

Publications may be ordered directly to the Publication Section, BARD, Kotbari, Comilla-3503, Bangladesh. Payment may be made either in cash or through crossed cheque in favour of the Director General, BARD, Comilla. Packing and postage are charged in addition to the price of publications. Usually publications are sent abroad by air mail.

Publications are also available in or may be ordered through the following office/agents in Dhaka.
